

VAMOS 91-92
REFLECTIONS

Holly Gianfrancesco

Mother of Sorrows

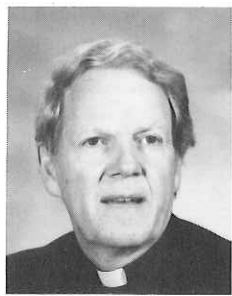

Friendship is a special thing,
It makes you laugh and want to sing.
Friendship puts a smile on your face,
It takes you to an enchanting place.
Friendship is always free of cost,
With it, you can never be lost.
Friends give you freedom's wings,
Friendship is truly a special thing.

ACKNOWLEDGEMENTS

Much gratitude is extended to all the dedicated students, especially our editors, who so unselfishly gave of their time, talent and selves in producing this edition of Reflections. Caring for the many details that publishing a yearbook entails, these devoted young people spent many hours of their free time after school, and even on weekends, working on putting it all together - they were fantastic! We are also most thankful to the parents, faculty, and all those who so generously supported the yearbook project in countless ways. A special thank you to Mrs. Carol Gutmann for her assistance in monitoring the sales aspect of the yearbook and to Holly Gianfrancesco and Mrs. Liza Otto for their artistic contributions in drawing and designing this year's cover. Many thanks are extended to Amy Ritzenthaler, Marianne Uttaro, and the editors for the creation of the friendship hands, the calligraphy, and friendship poem on the dedication page. As Always, Mr. Eric Ludemann, our advisor from Jostens, was most helpful.

The entire yearbook staff hopes that you will enjoy Reflections 1991-92!
